Mission Statement

Mission

OTSUKA CORPORATION serves a wide range of companies, providing comprehensive support for their business activities by presenting, within a concrete framework, new business opportunities and management improvement strategies brought about by innovations in information and telecommunication technology. By so doing, we continue to facilitate the growth of our client companies and contribute to the development of our country and the creation of a spiritually enriching society.

Goals

- To become a corporate group that is recognized and trusted as a valuable corporate citizen.
- To encourage employee growth and self-realization through the attainment of personal goals and professional achievement.
- To demonstrate harmonious coexistence and growth with nature and society.
- To create business models that consistently keep pace with the changing times.

Principles

- Always thinking from the customer's perspective and acting through harmonious team work.
- Maintaining the spirit of challenge inherited from our predecessors, exercising our own critical judgment, and acting on our own initiative.
- Fully complying with all prevailing laws and regulations, and maintaining high ethical standards.

Otsuka Corporation

Forward-Looking Statements

The forecasts, plans and outlooks concerning future operating results that are described in this Annual Report are judgments believed to be reasonable by the Company's management, based upon the information available to OTSUKA CORPORATION and member companies of the OTSUKA Group at the time such future projections were created. Various factors that form the basis of these forward-looking statements may differ from the OTSUKA Group's assumptions, and actual results may differ significantly from those presented here. Such factors include changes to the economic situation in principal markets and to product demand, and changes in various domestic and international regulations, accounting standards and customary business practices.
