

# OTSUKA CORPORATION—Backed by a Diverse Range of Customers

OTSUKA CORPORATION maintains a well-balanced composition of customers, with the corporate scale of the Company's customers ranging from major enterprises to small- and medium-sized firms.

In terms of annual net sales, in fiscal 2009 the ratio of companies with annual net sales of ¥10 billion and above declined, while the ratio of companies with sales of less than ¥1 billion and companies with sales of ¥1 billion to less than ¥10 billion both increased.

## Net sales structure on Customers' total annual business scale (Non-consolidated)

We also have a well-balanced customer base that is not skewed toward any particular industry. In fiscal 2009, there was no major change in the sales breakdown of customers by type of industry.

## Sales Breakdown by Customers' type of Industry (Non-consolidated)
