

Focusing Efforts on the Accumulated Business

OTSUKA CORPORATION places special emphasis on office supply and maintenance agreement services as the “accumulated business” within the Service and Support business.

The accumulated business is not easily impacted by fluctuations in the economy and is steadily achieving growth annually. As such, this can be said to be a cumulative or accumulation business.

In fiscal 2014 as well, sales in the accumulated business grew steadily, increasing ¥9.6 billion, or 4.4%, to ¥228.4 billion and accounting for 40.9% of net sales, due to high growth by the System Integration business. Since our public listing in 2000, net sales have increased ¥146.9 billion, an approximately 180% increase (non-consolidated basis).

OTSUKA CORPORATION will continue to focus on the accumulated business as it works to raise the stability of its operations.
